

What happens if it doesn't happen?

What would you do instead?

What sort of life would you have?

How would you behave?

How would you FEEL?

Would you still feel fulfilled?

Would you feel empty? Something missing?

How would you cope?

Would you feel like you failed or just given up?

What are your excuses?

Would you be happy?

How would you feel about your life?

Where would you live?

If you found your ideal partner:

What would happen then?

Would you be grateful & happy?

Would you change your behaviour & your attitude?

How would it be different?

Describe the life & vision of being together. What does it look like? What does it feel like? Describe your home.

Do you really want it? If so how much? What are you REALLY going to do about it?

What is your deadline in meeting him?
